JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Request for smallpox expert at Reidsville, N. C.

RALEIGH, N. C., *June 28, 1898.*—Please send smallpox expert to Reidsville, and oblige.—R. H. LEWIS, *Secretary, State Board of Health.*

In compliance with this telegraphic request, Passed Assistant Surgeon C. P. Wertenbaker was ordered to proceed to Reidsville and investigate.

REIDSVILLE, N. C., *June 30, 1898.*—One case of smallpox here, isolated and guarded. All known suspects isolated and vaccinated. Will advise with authorities.—WERTENBAKER, *Passed Assistant Surgeon, U. S. M. H. S.*

Smallpox reported at Boulder, Colo.

DENVER, COLO., *June 24, 1898.*

SIR: In compliance with the agreement embodied in resolution adopted by the conference of State boards of health respecting interstate notification of the occurrence of certain communicable diseases, you are hereby notified that 4 cases of smallpox have been reported to this office as existing near Boulder, Boulder County, this State. The origin of the disease is probably Old Mexico and local exposure. The precautions taken are quarantine and vaccination.

Respectfully, yours,

HENRY SEWELL,
Secretary State Board of Health.
